EDUCATION:

Computer Studies and Information Systems (PGD)

Douglas College

New Westminster, BC

Jan 2023 – Till Present

Economics (BSc)

Douglas College

Lagos, Nigeria

Sept 2017 – Sept 2021

PROJECTS:

- **GitHub Repo**
 - <https://github.com/Theodoraamodu>
Actively engaged in building and deploying projects as part of my academic coursework and self-development. These school projects are designed to provide hands on experience, enhance my proficiency and my personal projects helps further my learning by gaining valuable insights and continually honing my skills.
- **Interactive Bee Website for Kids**
 - Created an interactive, engaging website for kids using HTML, CSS, and JavaScript to enhance learning experiences.
 - Designed animations and intuitive navigation, focusing on user experience and accessibility.
- **Developers program (PAYFI)**
 - An ongoing volunteer internship for young developers in which I work with the front-end development team to build websites, thereby learning and improving on my skills.
- **Team Building project**
 - Led a team of four in building a clothing store website for a class project using HTML, CSS, and JavaScript. Assigned tasks, collaborated with team members, and ensured the completion of a three-page website. Developed effective communication and leadership skills, marking one year since the project's completion.

TECHNICAL SKILLS:

- Proficient in **HTML, CSS, JavaScript, React, Vite, Java and Data structure and algorithm**
- Skilled in **UI/UX design** using **Figma, and Canva** for wireframing, prototyping, and creating responsive interfaces
- Experienced in **MySQL** database management and integration
- Knowledgeable in **version control** with Git and GitHub
- Understanding of **design systems, accessibility standards**, and user-centered design principles
- Debugging
- Strong communication, collaboration, teamwork and time-management skills

WORK EXPERIENCE:

Frontend Developer (Fulltime)

Uro Skincare Company

Lagos, Nigeria

Jun 2022 – Mar 2023

- Designed and developed the company's website using SquareSpace, ensuring a responsive and user-friendly interface.
- Maintained and updated front-end components, improving site performance and accessibility.
- Collaborated with cross-functional teams to integrate website functionalities and improve the user experience.
- Implemented UI/UX improvements based on user feedback, optimizing site navigation and engagement.
- Debugged and troubleshooted technical issues to maintain website uptime and security.

Product Support Specialist(Fulltime)

Kuda Bank

Lagos, Nigeria

Jun 2021 – Jun 2022

- Managed support tickets, addressing escalated issues and ensuring resolution within SLAs.
- Provided technical assistance via live chat, phone, email, and web to resolve hardware and software challenges.
- Collaborated with third-party vendors during deployment and post-deployment support.
- Processed card production and inventory management requests, ensuring accuracy and timeliness.
- Documented all customer interactions and issues in ticketing systems for quality assurance.
